80000 SERIES

*Econo Buster sign stand  
 with 36"x 36" roll-up sign*

Econo Buster is a lightweight (30lbs.) yet durable stand for 36"x36" and 48"x48" roll-up or rigid signs. The telescoping inner mast allows all types and sizes of signs to be mounted at various heights. The powder coated paint on the steel legs and telescoping mast resists rusting. The step-n-drop leg design enables you to set up quickly without having to bend down or stoop over (no pins to kick, push or pull). The three position locking leg design allows you to adjust for uneven terrain.
